The Friends of Powhatan Library received a grant for \$1,500 to help fund the summer reading program with the school district and some other children's literacy programming this summer. Pictured from left, Nathaniel Wall and Joel Roberts from Shared Knowledge pass the check to Joanne Fico and Dr. Eric Jones. "I like that the library is able to work cooperatively with the school district in order to create a really good program for the children," Fico said. "It shows we can all work together if we choose. It is the way it should be."
